SUPPORT SERIOUSLY ILL CHILDREN AND THEIR FAMILIES

At TP Mechanical, we believe that our business success is a blessing. This motivates us to share and give back to our community. That's why we're hosting our annual charity gala on October 21, 2017, at the Cincinnati Marriott at RiverCenter, and this year our Monte Carlo night will benefit A Kid Again.

A Kid Again is an Ohio-based 501(c)(3) organization that supports area families who have children with life-threatening illnesses – giving the entire family time to have fun together. They also offer comprehensive practical support during the most difficult time in children's lives.

**PLEASE HELP US GIVE BACK TO
AREA FAMILIES BY SPONSORING
THE GALA, WHILE CONNECTING
WITH OTHER LOCAL COMPANIES.**
