

UnitedHealthcare Renews Network Relationship with Premier Health

On Dec. 31, 2017, UnitedHealthcare and Premier Health reached a multi-year agreement. This agreement ensures southwest Ohio residents have continued access to Premier physicians and facilities for Medicare Advantage plans and restores access for commercial plans, effective Jan. 1, 2018.

Please note that myuhc.com and other online directories will take one to two weeks to reflect the new agreement for commercial plans.

This renewed relationship gives nearly 200,000 UnitedHealthcare plan participants access to physicians in the Premier Physician Network, along with Premier Health's hospitals and other sites of service in the Dayton region.

We thank our customers for their support throughout this process and are honored to continue supporting the nearly 2 million individuals across Ohio who depend on us for access to quality and affordable health care.

Please do not hesitate to contact your UnitedHealthcare representative if you have any questions.
